Dear Bishop Gudziak,

In the name of our Immaculate Virgin Mary with Her Child Jesus, greeting!

On the Vatican Radio website, we find the following report:

15 **Ukrainian Greek Catholic priest abducted in Crimea¹**

(Vatican Radio) In a serious escalation of tension in Crimea, a Ukrainian Greek Catholic priest was kidnapped on Saturday.

20 Sources in Ukraine say Father Mykola Kvych, a pastor and a Ukrainian military chaplain, was abducted by pro-Russian forces after celebrating the liturgy.

25 “Every abduction is a terrible event for everybody involved,” said Bishop Borys Gudziak, the Eparch of the Ukrainian Greek Catholic Eparchy. “It’s a gross violation of human rights and God-given human dignity.” He expressed his grave concern about the repercussions of the kidnapping of Father Kvych.

Earlier this month, Ukrainian Greek Catholic priests received oral and written threats warning them to leave Crimea. Many priests, however, have chosen to remain with their people.

30 “Our priests and bishops have been very close to the people,” said Bishop Borys. “We’ve been inspired by the example of Our Lord [Who] went a long distance from fellowship with the Father to incarnate Himself and be in our reality.”

35 He said they have also been inspired by the words of Pope Francis “who said a pastor needs to have the smell of his sheep. And our pastors have been with the people, and they’re today with the people enduring this occupation in the Crimea.”

With the whereabouts of Father Mykola unknown, Bishop Borys made a special appeal “to the authorities of the Russian Orthodox Church, who have in direct or indirect ways supported these moves for the occupation of Crimea to do everything in their power to have Father Kvych released and to stop the persecution of Catholic priests and Catholic faithful on this peninsula.”

40 **While our prayers are for the kidnapped priest, we must say that **an Eparch must choose his words carefully.** We **object** to the suggestion in above article, that the Russian Orthodox Church has anything to do with “Russian Occupation” of Crimea. We **object** to the shrieking tone of “gross violation of human rights and God-given human dignity”.**

45 **We repeat here our gratitude to the many early Christian Martyrs whose witness in the face of the **most cruel torture** known at that time and wholesale execution of Christian communities,**

1 en.radiovaticana.va/news/2014/03/15/ukrainian_greek_catholic_priest_abducted_in_crimea/en1-781855

that led to the demise of Caesar's authority in ancient Rome. We also give thanks to the many Russian and Allied soldiers who gave their lives to uphold the *Rule of God's Law* during the **legal madness of the west** in the past few hundred years, that is as yet with us.

Our intercessory prayers with Our Father go out for the men, women and children of Syria, South Sudan, Central African Republic, Venezuela, Philippines, Afghanistan, Israel and Palestine, etc., who have suffered tremendously by the recent actions of legal idiots in the United States and the European Union. The diversion of Malaysian airlines MH370², techno-hijacked by those in the west capable of such, making it drop off civilian radar, for example, by AWACS jamming, shows a collection of eastern 'Caesar' want-to-bes to be technically incompetent and the incident perhaps reveals the outlines of a Spy-vs-Spy episode out of Mad Magazine. News items given prominence, for example, "Penis cut off in attack in Middlesbrough [England]"³ and "Another Trader Commits Suicide, Brings Total Recent Banker Deaths To 10"⁴ shows that the ghouls of *Rudra*, are on the loose **in the west**, demonstrating the **fear** in the shabby hearts of western 'intelligence' personalities who have been torturing legal children⁵, preparing for World War III, and racial "sustainability" cleansing – only mad people yell to them for help. The United States imprisons⁶ more people per capita⁷ than any other country on earth, mostly blacks, because the prisoners are used by legal idiots as collateral for bond trading⁸.

We must keep a sense of proportion regarding the **madness of the west** and their insane thirst for violence and "profit" – and demonstrate a comprehension of the World-Idea and a situational awareness of what the LORD is revealing, without losing our sense of humour⁹. The west can use computerised drones and 'star wars' weapons to kill people, but they can't do ratios and discover the **void** staring at them in their bank 'statement' or 'bond portfolio'.

Perhaps the "mote" that Your Excellency is looking for in the eye of thine Russian Orthodox brother, is the "log" in thine own eye that is described in Revelation 18:9-10.

18:9 *And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning, 18:10 Standing afar off for the fear of her torment, saying, Alas, alas that great city Babylon, that mighty city! for in one hour is thy judgment come.*

The Revelation of Saint John the Devine 18:9-10, King James Bible

We suggest that Your Excellency monitor the published *Amicus curiæ*(s) of this **Court of Record** regarding our assistance to Pope Francis with the dissolution of the Federal Reserve System, including all the banks that assist with "donations" that *appear* to sustain Your Excellency and the Ukrainian Catholic University, "*deliciously*".

We note here with affection that there **is** evidence that Russians have resisted the use of force, that President Putin and the Russian Orthodox Church have reached out to Japan regarding Fukushima, helped our Allies for the **Rule of God's Law**, Her Majesty Queen Elizabeth II, thwart use of the British Navy by the CIA¹⁰, and so forth.

There is *evidence* that the ‘United States’ is conducting the “occupation” of Ukraine¹¹:

Hell in Ukraine: Berkut officer says 18-year-old soldier crucified by protesters¹²

27 January 2014

The mass media fabricate news and tell us lies. The residents of Donetsk are not aware of what’s happening here. The media show insignificant things and try to make people think that we’re killing civilians and cripple demonstrators. And nobody wants to show how we were blown up and set on fire.

The media made Berkut and internal forces officers look like fascists. The media is bought off. The unrest began on January 23. And there was not a single word about it on TV for two days. And later on nobody showed how German offensive marches were played in front of the Cabinet of Ministers’ building and flags with the swastika on them and runes of the Third Reich.

Nobody saw how an 18-year-old short-term soldier was crucified on a gate grid. They didn’t show how a bus driver didn’t run over protesters when the bus was blocked and just stopped it. And those fascists tore that bus apart. There were around ten Berkut officers. Protesters shoved stun grenades under their bulletproof vests. And we couldn’t approach them for 20 minutes. Nobody showed broken legs and arms, hundreds of broken helmets and burnt bodies of Berkut officers, lying in burn wards all across the region.

There was one guy who was standing beside me in front of the Cabinet of Ministers’ building on January 24 and all of a sudden he got to his knees. We thought his gas mask failed and he passed out. But when we took off his helmet and gas mask we saw that an awl was stuck in his throat. We were blocked at the Cabinet of Ministers for three days. There were 900 Berkut officers and 35,000 protesters. A unit of officers who came to change us was standing 10 km off Kiev. And those criminals aligned a crowd in front of them and didn’t let them enter the city. And not a single official took responsibility to order to scatter the crowd and let the unit in. All the generals are either on vacation or sick leave. There was no one to command. Every one of them is afraid of losing their post. When protesters ripped short-term soldiers apart in Bankovaya Street, we were 500 meters away, in the Treasury’s grounds.

And those guys were sacrificed. And at first they weren’t allowed to even carry shields with them. They were ordered to hold a position and not to use any force because as it turned out we’re not trying to quell unrest but ensure public order at a peaceful demonstration!

Kiev snipers hired by Maidan leaders - leaked EU's Ashton phone tape¹³

05 March 2014

The snipers who shot at protesters and police in Kiev were allegedly hired by Maidan leaders, according to a leaked phone conversation between the EU foreign affairs chief Catherine Ashton and Estonian foreign affairs minister, which has emerged online.

“There is now stronger and stronger understanding that behind the snipers, it was not Yanukovich, but it was somebody from the new coalition,” Urmas Paet said during the conversation.

“I think we do want to investigate. I mean, I didn’t pick that up, that’s interesting. Gosh,” Ashton answered.

The call took place after Estonia’s Foreign Minister Urmas Paet visited Kiev on February 25, following the peak of clashes between the pro-EU protesters and security forces in the Ukrainian capital.

US drone¹⁵ intercepted in Crimean airspace - Russia's state corporation

14 March 2014

An American scout-attack drone was intercepted in the Crimean sky, the Rostec state corporation reports. "Judging by side marking, the MQ-5B drone was part of the 66th US brigade of military intelligence with the main location in Bavaria," the report on the website of the corporation reads.

According to the report, at the beginning of March, the American brigade was relocated to the Ukrainian Kirovohrad, from where drones commit reconnaissance raids in the direction of Crimea and Russian border areas.

Earlier, they reportedly appeared in the Kherson region, in the area of the Crimean roadblock Chongar. "According to some data, the American reconnaissance brigade had 18 MQ-5B drones in its arsenal. This is the second time the American UAV is intercepted over Crimea," the report says.

"The drone was at the height of about 4 thousand meters and was practically invisible from the earth. It was possible to break the drone's link with its American operators with the help of the EW (electronic warfare) complex Avtobaza. As a result, the device made an emergency landing and passed into the possession of the self-defense forces almost unbroken," the report says.

Attempt to jam Russian satellites carried out from Western Ukraine¹⁶

14 March 2014

An attempted radio-electronic attack on Russian television satellites from the territory of Western Ukraine has been recorded by the Ministry of Communications. It comes days after Ukraine blocked Russian TV channels, a move criticized by the OSCE.

Russian Ministry of Communications experts identified the exact location in Ukraine of the source of attempted jamming of Russian TV satellites' broadcast, RIA Novosti news agency reports.

"Banning programming without a legal basis is a form of censorship; national security concerns should not be used at the expense of media freedom," OSCE Representative on Freedom of the Media Dunja Mijatović said.

On Thursday, a number of Russian state TV channels websites suffered a large cyber-attack partially coming from Ukraine.

Russia's Channel One website was temporarily unavailable due to a distributed denial-of-service (DDoS) attack. Meanwhile, Russia-24 TV also said it suffered from a *"massive network attack."*

According to Itar-Tass, the targeted Russian media have connected attacks to their editorial policy of covering the recent events in Ukraine.

More than half of Ukraine's population speaks Russian regularly and one third say it's their native tongue. In Crimea over 90 percent of the population uses Russian on an everyday basis.

Russian journalists not welcome?

An international media company in Kiev said it was visited by unknown people armed with knives, who threatened the employees against working with Russian TV channels, RT editor-in-chief Margarita Simonyan wrote on Twitter.

The company, which asked for anonymity citing concerns for own safety, said it could no longer work with RT.

Yatsenyuk takes Scythian gold to US as money-back guarantee¹⁷

Verkhovna Rada-appointed Ukrainian Prime Minister Arseniy Yatsenyuk secretly took Scythian gold to the US. This sensational news was circulated through social networks by Director of Moscow's Lev Gumilev Centre Pavel Zarifullin.

175 Zarifullin is convinced that during his recent visit to the US, acting Ukrainian prime minister took along \$20bln worth of national cultural values.

Referring to sources that he does not reveal, the author writes that these values might become guarantees for an International Monetary Fund's loan.

180 To check the authenticity of this information, historians are urging the new Ukrainian authorities to draw up an open inventory in Kiev museums' depots. The Scythian gold is not so much valued as a precious metal as a historical relic.

This **Court of Record** continues to monitor the United States Secretary of State, The Honourable John Kerry and the U.S. Ambassador to both Russia and Ukraine – their task is to **arrest all the juvenile delinquents**¹⁸ who do not voluntarily resign or step out of the way, including but not limited to the CIA/DVD¹⁹ appointed leaders, and others promoted by the U.S. **Exchange Stabilisation Fund** doing business as 'CIA', 'IMF', 'Department of State', 'Blackwater' by another name, etc., all tied to the black sewer of fraudulent conversion, the "**golden cup in her hand full of abominations and filthiness of her fornication**".

190 *Revelation 17:4 And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication: 17:5 And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.*

The Revelation of Saint John the Devine 18:9, King James Bible

U.S. Vice President The Honourable Joe Biden is said to be ready²⁰ to embark a 'mission' to the 'Ukraine' region, we trust that The Honourable John Kerry has forwarded copies of our letters. We shall look for action and discount their bluster, for theirs has been the terrible job of playing an Islamic Sultan by legal fiction. The legal fiction 'veil' and the *Official Secrets Act* or equivalent, obscures nothing from the eyes of Our Father, the blessed **One** who has Mercy with His world. **Any official who signs a document or creates money or currency with gold flown out of the Ukraine is judged incompetent to hold office and is subject to arrest.** Any official who signs a treaty, agreement, contract or other device with the acting President, Prime Minister or other official from Ukraine is judged incompetent to hold office and is subject to arrest.

205 Be without doubt, the **one** we know as Putin, Duke of Russia in Her Majesty's Commonwealth of Nations, Baron of these Global Isles has the authority from this **Court of Record** on behalf of Plaintiffs in our **Court of Record** in a class action lawsuit on behalf of the men, women and children of America, whom the common people refer to as ~~We The People~~, to **arrest** the lunatics and **juvenile delinquents** who obstruct the path to Holy Peace. We are aware that there are 'forces' within and without America ready to assist the 'Duke'.

The officials of the United States and the European Union are legal idiots, full time lunatics, for they **can only enact 'sanctions' that apply to themselves.**

210 The **one** we know as Putin has shown patience, for he remains **in** the word of our LORD. We witness the ongoing aggression and incitement to violence. We believe he shall show patience still, for time is **not** on the side of the lunatics and legal idiots operating the 'word' of the legal fiction Sultan, the United States.

215 United States sponsored mercenaries go round in full face ski masks, like Islamic women wearing burqas. **Do they have delicate beauty and vulnerability to hide?**

We would suggest that Your Excellency and the priests whom Your Excellency mentors, consider the word of the LORD:

Mark 12:30 And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment.

220 *Mark 12:31 And the second is like, namely this, **Thou shalt love thy neighbour as thyself.** There is none other commandment greater than these.*

The Gospel According to Saint Mark, King James Bible

225 The United States corporation has no business in Crimea, their ships have no authority to remain in the Black Sea. The United States, the United Nations and the European Union have no say in the affairs of the men, women and children of Crimea or Ukraine. The charter of the United States explicitly restricts them to “ten Miles square” of Washington, D.C..

230 This **Court of Record** does **not** recognise the “territorial integrity” of Ukraine, for this **Court of Record** recognises no man made borders or nation-states. Every move they make as Sultan Sam or his clones reduces their claim as living men and women, that is the claim of the living stakeholders and shareholders of the United States and the Federal Reserve, past or present, to be **trustees** of the ‘Vineyard of our LORD’.

235 We would suggest that Your Excellency preach to those that must be converted and their demon of ‘Right Sector’ madness exorcised – in Ukraine, in Germany, in America, in England or wherever it festers. We would suggest that Your Excellency give refuge to Ukrainian military “servicemen” who now do not have a master that abides by the *Rule of God’s Law*. In the days of the Roman Caesar, as Rome fell to ruin, Christian priests took over the maintenance of Caesar’s legion, even as they withstood the contrariwise orders of the tyrant.

We say, there is only **One** Christ, but many apostles, church buildings, liturgies and traditions. The Roman Catholic Church has no monopoly on Christ.

240 *6:46 **And why call ye me, Lord, Lord, and do not the things which I say?***

6:47 Whosoever cometh to me, and heareth my sayings, and doeth them, I will shew you to whom he is like:

245 *6:48 He is like a man which built an house, and digged deep, and laid the foundation on a rock: and when the flood arose, the stream beat vehemently upon that house, and could not shake it: for it was founded upon a rock.*

*6:49 But he that heareth, **and doeth not**, is like a man that without a foundation built an house upon the earth; against which the stream did beat vehemently, and immediately it fell; and the ruin of that house was great.*

The Gospel According to Saint Luke 6:46-49, King James Bible

250 If Your Excellency does not have experience of the “rock”, contemplative awareness of *nirvana*, which Indians call *samadhi*, then Your Excellency’s house is not upon the rock of our LORD, YHVH, Christ, the *Ground of Being*.

255 This “rock” is the Source, the ‘black hole’ singularity, the “bottomless pit” from which all creation springs. Efforts to find this “rock” in the field of one’s own conscious experience requires time devoted to such. Any interruption during this state of introversion, say the sound of a ringing telephone, or someone using a hammer, or someone busy with housework, could be a shattering experience. Attaining *samadhi* is the purpose of the *Sabbath*. Those who use the

255 Sabbath as a day of superstitious, petulant idleness are guilty hypocrites, for they know not Holy Peace. There is a nobler state of *jivan muktha viveka*, salvation whilst alive in a 'fleshy' body, *knowing* rooted in the *Tree of Life*, that is the state of an *avatar*, a divine incarnation, our LORD, Jesus Christ.

260 Renunciation is of threefold form,
And Worship, Penance, Alms, not to be stayed;
Nay, to be gladly done; for all those three
Are purifying waters for true souls!
Yet must be practised even those high works
In yielding up attachment, and all fruit
265 Produced by works. This is My judgment, Prince!
This My insuperable and fixed decree!
Abstaining from a work by right prescribed
Never is meet! So to abstain doth spring
From "Darkness," and Delusion teacheth it.
270 Abstaining from a work grievous to flesh,
When one saith "'Tis unpleasing!" this is null!
Such an one acts from "passion;" nought of gain
Wins his Renunciation! But, Arjun!
Abstaining from attachment to the work,
275 Abstaining from rewardment in the work,
While yet one doeth it full faithfully,
Saying, "'Tis right to do!" that is "true" act
And abstinence! Who doeth duties so,
Unvexed if his work fail, if it succeed
280 Unflattered, in his own heart justified,
Quit of debates and doubts, his is "true" act:
For, being in the body, none may stand
Wholly aloof from act; yet, who abstains
From profit of his acts is abstinent.
285 Bhagavad Gita, the Song of the LORD²¹

When a population have in their midst such men and women, who may live a life of humble obscurity and poverty, they bring blessings of Holy Peace into the community that protect the entire community from becoming "possessed" by legal idiots: fascists and communists.

290 With all this in mind, if Your Excellency **humbly** appeals to Your Excellency's Russian Orthodox brothers for substance to feed Your Excellency's flock, Your Excellency will find that the grace of our One Father, our Lord Jesus Christ, opens that door.

295 We suggest that Your Excellency adopt a mode of contemplation to access YHVH, Our Father, the blessed One who has Mercy with His world, who is within thee, Our Lord Jesus Christ, the faithful Witness, for He is stronger than the legal ghosts and armed men who appear to oppress thee and thy brethren. Be not fearful in the face of difficulty, pray unceasingly to witness the mercy of the LORD, YHVH, Christ, the unshakable *Ground of Being*.

Yours faithfully,

Joseph Ray Sundarsson
