Open Letter  
*Amicus curiæ*  
16<sup>th</sup> February 2014

**Dear Cardinal Nichols,**

*In the name of the Immaculate Virgin Mary with Her Child Jesus, greeting!*

15 We pray to our Immaculate Virgin Mary with Her Child Jesus to bless Your Grace **on** the rock of the our LORD, with the waters of the Good News that Your Grace **is** a Cardinal.

20 The living constitution of England is unlike any other in the history of this world. From the time of Moses, 5774 years ago they say, to that of Our Lord Jesus Christ by whose life we date our document as the year 2014 of Our Lord, to today, stretch time-lines that bring us the rock of Reality, the whole fruit of the Wisdom of the Holy Spirit, the Rule of God's Law and the English language in which we pen this missive of love.

By contemplation we have penetrated the difficulties of those who hold high office, the *Bishop of Rome* and Her Majesty Queen Elizabeth II.

25 In our *Letter Rogatory to the British Cabinet/Parliament*<sup>1</sup>, placed into the "pigeon holes" at Westminster Palace, we came to give voice to the voiceless. We found that we had to start with Her Majesty Queen Elizabeth II.

The purpose of this letter is to preserve the precious patrimony of the Bishop of Rome and Her Majesty Queen Elizabeth II, the Gospel of Our Lord.

30 Your Grace has recently spoken<sup>2</sup> about the difficulties faced by the people of England regarding 'welfare cuts'. The ongoing biblical flood like conditions are certainly not helping matters. A number of bankers who apparently have committed 'suicide' in London<sup>3</sup>, indicates that welfare is not at the top of the agenda.

35 We enclose our *Amicus curiæ* to The Honourable Mr. Barack Obama, President of the United States, regarding the **dissolution of the United States corporation**, together with the Federal Reserve, a charter granted by the **Holy See**.

Your Grace, by the grace of God, shall soon be in Rome. Her Majesty Queen Elizabeth II, by the grace of God, shall also visit Rome on 3<sup>rd</sup> April 2014<sup>4</sup>.

The British Cabinet needs fatherly guidance, the boys at MI6 need adult supervision by true men, the ‘bankers’ need the support and sustenance of Mother Mary.

40 It is indeed good news that the Anglican Church has moved forward with women Bishops. The Housekeeper of Her Majesty’s Commonwealth of Nations, Rt. Hon. Theresa Mary May, is thankfully a woman<sup>5</sup>, with whom is placed the responsibility to *oversee* a public market in Bills of Exchange.

45 The tragedy of our time is that the men have spent their lives fighting a financial war, building a ‘death star’ in the sky and under the ground. Yet there are those men behind the scenes who know how the world has been transformed for the good by the financial war. The difficulty lies in learning to think with feminine wisdom that is non-stealing and non-killing.

This feminine wisdom must be protected by true men of faith in YHVH, “Our Father which art in heaven, Hallowed be thy name”.

50 In English Common Law, a lunatic is one with whom one cannot conduct a rational conversation some of the time. A legal idiot is a full time lunatic. A charter of war cannot be extended after a war is won, any rational man or woman can see that.

55 In the Mixed Money case of 1604, during the reign of Queen Elizabeth I, learned justices ruled that the Queen could dilute the money to protect the kingdom from an armed rebellion. This is the legal precedent for the century of financial war.

The pentalty for treason is death, all those who worship Caesar know this. England returned to the fold of the Holy See ‘shortly’ after the *Glorious Revolution* – perhaps Our Holy Fathers in Rome may be pleased to release the actual history that describes the ‘short’ transition.

60 The classic dialogue of Cardinal Newman with Rev. Kingsley in the *Apologia pro Vita Sua* published in 1864, is a demonstration of such mastery of the English language that the opponent is barely aware that he is a bull in a China shop. The keenness of the leading English minds of the late 1800s and early 1900s, results in the history of the past hundred years – a legal puzzle that has defeated the combined wit of today’s<sup>6</sup> modern English, American, Swiss and European lawyers, ‘think tanks’, politicians, ‘intelligence agents’ and ‘bankers’.

5 It is women who will do the practical things necessary to ensure that our family, **all** the men, women and children are fed. It is a sign of the times that in Todmorden in England, the people have organized themselves, mostly women, to grow herbs and vegetables all over town – given away free. This is a sign that money has lost meaning, that Caesar is falling to ruin. It is seen to be not ‘worth it’ to charge for herbs and vegetables.

The bankers are ‘jumping’ out of buildings. This is a sign of the times that the men are temporarily insane and another indication that Caesar is falling to ruin.

The leading western politicians are frozen in the pattern they have followed over the past years.

The ‘intelligence personalities’ are busy accelerating their destruction of evidence of torture and malfeasance.

There is a war going on in the sky and under the ground. This too, is a sign of the times.

These are ‘possessed’ by the spirit of the ‘Islamic Sultan’, they ‘shoot first and ask questions later’. They cannot believe it possible that peace is at hand. So far, every attempt to start a revolution, steal gold, fight proxy wars has failed. There *are* intelligent people in the back room, who are sane. It is the duty of Your Grace to find them and shepherd them **on** the grace of our LORD.

A friend in England once said, “if my basement is flooded, I’m about as likely to think ‘government’ as I am to think of ‘Milton’, the English poet”.

When Rome fell to ruin at the advent of Jesus Christ, it is the Church that took over from Caesar. All government is the governance of the Church. All courts, police, military, secret service, kings, republics, banks, corporations, the Crown Temple ... are instruments of the Roman Curia.

65       *"When I would search the truths that in me burn,  
           And mould them into rule and argument,  
 A hundred reasoners cried, — 'Hast thou to learn  
           Those dreams are scatter'd now, those fires are spent?'  
 And, did I mount to simpler thoughts, and try  
 70       Some theme of peace, 'twas still the same reply.  
  
       Perplex'd, I hoped my heart was pure of guile,  
           But judged me weak in wit, to disagree;  
       But now, I see that **men are mad awhile**,  
           'Tis the old history— Truth without a home,  
 75       Despised and slain, then rising from the tomb."*

One does not reason with a tyrant or a legal idiot. It is the duty of the king to take care of the legal idiots and lunatics. It is the duty of the *Bishop of Rome* to protect the 'legal sheep'. Not all men are born as a legal lion. Self styled 'armed to the teeth' 'republicans' are legal idiots, not lions.

80       Our Lord Jesus Christ has blessed us with this wisdom:

*Matthew 17:14 And when they were come to the multitude, there came to him a certain man, kneeling down to him, and saying,*

*17:15 **Lord, have mercy on my son: for he is lunatick**, and sore vexed: for oftentimes he falleth into the fire, and oft into the water.*

85       *17:16 And I brought him to thy disciples, and they could not cure him.*

*17:17 Then Jesus answered and said, **O faithless and perverse generation, how long shall I be with you?** how long shall I suffer you? bring him hither to me.*

*17:18 And Jesus rebuked the devil; and he departed out of him: and the child was cured from that very hour.*

90       *17:19 Then came the disciples to Jesus apart, and said, **Why could not we cast him out?***

*17:20 And Jesus said unto them, **Because of your unbelief: for verily I say unto you, If ye have faith as a grain of mustard seed**, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you.*

*The Gospel According to Saint Matthew 17:14-20, King James Bible*

95       The difficulty and the solution are outlined by our LORD. The lunatics of today oftentimes fall into the fire of war or drown in the 'storms' of 'climate change'.

We have watched the light of faith in the eyes of Your Grace in the BBC television program on the restoration of the churches and restitution of the relics.

6   A hint emerges that the LORD, master of *maya*, gives His power of illusion to His loyal servants to overcome generations that are insane or who reject the wisdom and statutes of YHVH, the Almighty **One**.

When Moses left Egypt all those years ago, he broke the unity of God's rule over the then 'civilised world'. It is indeed a topic for advanced contemplation, how Moses, then Jesus and saints and prophets after Him have 'programmed' our return to world civilisation, the rule of the City-Temple of the Almighty **One** who has Mercy with His world.

*Genesis 3:24 So he drove out the man; and he placed at the east of the garden of Eden Cherubims, and a flaming sword which turned every way, to keep the way of the tree of life.*

Devotees of the Almighty **One** as Vishnu call this rotating, flaming sword, the *Sudarshana Chakra* – the all encompassing *Vision of the Good* of the Greek *Enneads* of Plotinus.

Such a vision is described in *Revelations of Saint John the Devine* and in the chapter on the *field and its knower* in the *Bhagavad Gita*.

100 We pray to Our Immaculate Virgin Mary to grant Your Grace the love for and love of Her  
Child Jesus, the shortest route to “move mountains” and restore sanity.

The wisdom of the YHVH, LORD, Our Father, the Blessed One who has Mercy with His world,  
which spoke through Moses and Jesus Christ, *is*, making whole the entire children of Abraham.

Yours faithfully,
