10 Open Letter  
Amicus curiae

26 January 2014

Dear Sir:

May it please the Immaculate Virgin Mary with Her Child Jesus!

15 From the *Global Isles Court of Record*, on behalf of our Plaintiffs, in pursuit of justice and right for **all** people, we send greeting!

In our first letter to Prime Minister David Cameron, dated 27<sup>th</sup> January 2011, we wrote:

20 *"I am aware that the position of Prime Minister does not come with a nice manual that explains, among other things, the nature of international corporate sovereignty and of the long range planning of financial war."*

This sentiment is equally applicable to the office of the United Nations Secretary General. Some of the puzzling features of recent international diplomacy become clearer once the Open Letters of this *Court of Record* are taken into consideration. For example, the failure of the United States, France and the United Kingdom to invade Syria, the rejection of the United Nations security council seat by Saudi Arabia and the antics that the navies of the world are engaged in.

The ongoing failure to restore peace in the Pacific, Syria, Ukraine, Egypt, Palestine, Sudan, etc., is a result of **proxy wars of blackmail** being fought by Al-CIA-duh operatives.

30 We request Your Excellency to ensure that **all** peace conference attendees and U.N. ambassadors get a copy of our Open Letters, with the attached letter given prompt attention. The failure of Iran to attend the Syria peace talks and the expedition of its navy<sup>1</sup> is under investigation in this *Court of Record*.

Originals are at the White House and with Pope Francis, sealed copies with the United States Treasury, Britain, Russia, Norway and Saudi Arabia.

We draw Your Excellency's attention to our other published Open Letters that are at:

35 Kindly contact Pope Francis with any questions.

Yours faithfully,

Joseph Ray Sundarsson
