Dear George W. Bush,

It appears you'll have to run the Olympics yourself. Here is some help.

We have contemplated Xi Jinping before YHVH as Earl of Hong Kong. He has done more for the LORD than the College of Cardinals.

Our prior letters to Xi Jinping are attached. He has comprehended 'Choses in Action', we believe, and will quickly understand our recent summary regarding Bills of Exchange and a 'sink'.

He will therefore comprehend the meaning of, by the grace of YHVH, the 'People's Republic of China', is dissolved, along with the Bank of China (BOC). We have said earlier, our purpose is to protect the men, women

and children of China from those doing business as 'CHINA'.

The BOC has heard from us, as has the Agricultural Bank of China, so they know the writing on the wall.

The attached letters also mention to him the importance of 'religion' in preventing a World War in this region and the importance of The Dalai Lama thereby. He has, we believe, understood this.

By the grace of YHVH, The Dalai Lama shall return to Potala Palace.

We suggest that you immediately contact His Holiness The Dalai Lama and arrange for monks who know The Tibetan Book of the Dead and can guide the souls of the dead to find new bodies, to attend the Olympic games.

We suggest that His Holiness The Dalai Lama arrange for monks who can perform The Kalachakra Chant for the closing ceremony. There is a recording made in the '60s on L.P. records that you should find and listen to - in a darkened room on high quality speakers - so that you and they know what is being asked for.

Charlene, Princess of Monaco, who appears to be heavily involved in the Olympics, is more than a little bit stressed - contact her, tell her that we have sent our love to YHVH for her and provide a summary of changes and put her mind at ease regarding gold and banks.

If it is her wish, she can press the big red button on the zip line and hand out some aptly named 'awards'.

Check six

The six extant type 45s are in port, possibly to signal that there is no gold lust there. The chatter shows that the 'greenhouse' cultivating "Venus frog traps" are lit up on 'sub tropical' St. Michael's mount off Cornwall.

The news obviously brings to mind Pearl Harbour. The French fuckwit nuncio who is in a panic by now must be reaching for his French Nuclear Submarine. This is not the only danger:

We know that Type 23 Frigates, for example, can 'accidentally' discharge salvos, that much of the electronic weapon control systems may be backdoored and the Type 45s had recently munitioned. You must contact HMQ, The Lord High Admiral and HRH Princess Anne to ensure they have taken precautions to put systems to manual and physical disconnect of electronics.

When the Type 45 had recently docked in London, Mahakali showed us "Canary goes warf warf". The Fabian reds think it was there to protect them. The karma of the false-flag IRA campaign to clear the East End was shown to us by Mahakali. It can thus be seen that there are no useful English land titles there as property was acquired by fraud and war on Her Majesty's English subjects.

There are reports of a pole shift at the second coming of Jesus Christ - the question to ask is where are super conducting magnets capable of makings such a switch and to ensure that sane minds are in control. CERN is an example.

It is known to us that Rio de Janeiro is built as a Medici-Roman

cul-de-sac. Land approaches to the city can be cut off, and there is a control room where every micro detail down to the charge on the battery of a bus driver is monitored in real time.

You shall have to ensure that Alligators are in place at all strategic locations to ensure that there is no Medici-Bowie cult surprise. There has been in the chatter, around the time Cameron resigned, of a big blood sacrifice. Michael Gove, MP, would be a man to ask if he knows anything about this.

Putin should be able to provide men to replace the failed private security arrangements. No doubt, you have your own resources.

In Rio, there are doubtless underground sacrificial altars; there may be self-destruct capabilities built underground; there may be all manner of stupidity present in Rio.

You shall have to coordinate CIA+MI6 and any sane men in the Bowie+Medici/OTO cults who can render these safe.

You will also have to look for directed energy weapons that can shoot through the earth, CERN, for example, and the 'black knight' satellite(s), for example, and make sure they are not up to any funny business.

We have seen the news that HRH Princess Anne has plans to attend but not Prince William and Catherine. If there is anyone the Romans want killed, it is Her Royal Highness. As the highest ranking royal we have heard who plans to attend, you shall ensure that she travels with her own security which has real-time command and control of this environment to Her Royal Highness. It does not make sense for you to attend.

We have read that Pope Francis is back safely in Rome. The Polish Prime Minister did show reverence and touched His Holiness' feet during the Auschwitz visit. Pope John Paul II and HHDL were reportedly friends. The essence of these developments should be conveyed to both Popes.

U.K. Rainbow warriors

Her Majesty The Queen, by Her Majesty's Sovereign decision to delay a visit to ourselves, has a commission from YHVH Himself to "clean up" 'the litter', starting in London.

You have already received in the last email, the letter from Lord Keir Argent Duke of Switzerland in Her Majesty's Commonwealth to Rt. Hon. John Bercow, MP, Speaker of the House of Commons, wherein he mentions "water damage".

Is Mr. Bercow a 'Rainbow Warrior'?

www.courtofrecord.org.uk/gicor/record/UK-Speaker-1/UK-speaker-1.pdf

We had written to him on 12 December 2011 a rather long and eloquent letter, linked above, but it was to no avail.

The 'Second Affidavit of Abigail Jones (Signed).PDF' which is attached, shows the "water damage" to documents sent by this Court of Record.

Matthew 13:41 The Son of man shall send forth his angels, and they shall

gather out of his kingdom all things that offend, and them which do iniquity;

13:42 And shall cast them into a furnace of fire: there shall be wailing and gnashing of teeth.

13:43 Then shall the righteous shine forth as the sun in the kingdom of their Father. Who hath ears to hear, let him hear.

Matthew 18:6 But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea.

It is our wish the the Lord High Admiral Prince Philip 'weed' the English garden of these idiots looking for "water damage".

Matthew 24:40 Then shall two be in the field; the one shall be taken, and the other left.

24:41 Two women shall be grinding at the mill; the one shall be taken, and the other left.

24:42 Watch therefore: for ye know not what hour your Lord doth come.

24:43 But know this, that if the goodman of the house had known in what watch the thief would come, he would have watched, and would not have suffered his house to be broken up.

24:44 Therefore be ye also ready: for in such an hour as ye think not the Son of man cometh.

Even so these idiots in London or Rome know not the Father or the Son, believing only the sensation at the end of their dick and the 'power' of slaughter and rape and theft by any means.

Is HHJ Barker barking mad? If these idiots think that they are going to get on by theft using "water damage" to the Law of Jesus Christ, they have a 'wet' surprise coming.

Ban Ki-moon, UN Secretary General, wants a "truce" during the Olympics. By the grace of YHVH, the United Nations is dissolved. To him and these idiots at the Chancery Division, Parliament, Banks Churches, etc., what part of "dismount and fuck off" do they not understand?

We send our love to YHVH for thee!

Yours faithfully,

Your Majesty must allow The Lord High Admiral Prince Philip to do his duty as Patriarch, taking the long term view of what is good for all men, women and children.

His Royal Highness as Patriarch, must think ahead for the time when those upon whom now discipline is enforced, have no one to enforce it. He must think of the time, already manifest, where men cannot read words written on paper without, as it were, spitting on it and smearing it over, with a smug *feeling* of superiority merely as a result of possessing big hammers.

As Your Majesty knows, the one we know as Keir Argent, locked the Court of Record Trust Property at 32 Writtle Road from the inside, forcing the idiots to break a lock. This is reminiscent of the rampant tribes Muhammad had to tame with the resulting "Sharia Law" to have their hands cut off.

When asked for the keys, Pius IX reportedly said, "Whom do these thieves think they are kidding asking for the keys to open the door? Let them knock it down if they, like Bonaparte's soldiers, when they wanted to seize Pius VI, came through the window, but even they did not have the effrontery to ask for the keys"

The Right Honourable Mr. Speaker John Bercow
House of Commons
London SW1A 0AA

cc: Rt. Hon. Theresa Mary May, M.P., Prime Minister, et al

cc: Her Majesty Queen Elizabeth [II]

31 July 2016

Dear Sir,

High Treason ref courtofrecord.uk/Treason-QBD
courtofrecord.uk/British-PDF

Her Majesty Queen Elizabeth [II]
Magistrate

By this letter and enclosed sealed documents from the Court of Record, you The Right Honourable Mr. Speaker John Bercow, must take conscious cognisance that you and all living men and women who are Members of Parliament in both the House of Commons and House of Lords are deemed to be served regarding the action in this Court of Record of YHVH regarding High Treason and subject to the default judgement for High Treason, that is, to be "hanged, drawn and quartered".

The evidence of your Treason to Her Majesty The Queen and the Rule of Law is found in, including but not limited to, the void legislation produced by yourselves in Parliament and the void documents produced by courts purportedly under your authority, which have dishonoured documents served on them by water. If you are just a puppet, **produce the puppet master.**

This Court of Record is a Court of Law. Statutory support for such is found in the 1770 Parliamentary Privileges Act.

Your offence and that of your Parliament is High Treason under the Treason Act 1351. You and your house have until 22 August 2016 to fax your defence at Common Law to this Court of Record at +44 1234 48 0111. The Court of Record shall, at Her Majesty's pleasure, then select a venue and date to hear the proceedings against you.

Yours faithfully,

K. Argent
